Dates to Remember

- ◆ Late Summer 2013 - WAPA FRN to announce Marketing Criteria and Call for Applications
- ◆ Late Summer 2013 - CRC to resume workshops and informational meetings and initiate rulemaking and allocation proceedings

A.B. 199 ~ Authorizing the Colorado River Commission to Provide Hoover Power to Additional Nevada Entities has Passed!!

A.B. 199 (CRC's legislation to amend NRS 704.787) was signed into law by Governor Brian Sandoval on Friday, May 24, 2013.

This legislation, among other things, adds new Hoover contractors receiving allocations under the Hoover Power Allocation Act of 2011 (2011 HPAA) to the list of customers the CRC can serve under NRS 704.787, without becoming subject to the jurisdiction of the Public Utilities Commission of Nevada.

NRS 704.787, as amended, also imposes limits on the CRC's new authority including a minimum load of 1 MW, and imposes obligations on customers receiving Hoover power for the first time who are located in NV Energy's service territory.

The CRC will hold future public workshops and public meetings, and initiate rulemaking and allocation proceedings to implement the provisions of NRS 704.787, as amended and the 2011 HPAA.

Information on NRS 704.787, as amended, can be found on our website at: www.crchoverallocation.com

MARKETING PROCESS UPDATE

The Western Area Power Administration (Western) is continuing to review comments submitted by interested parties in its post-2017 Hoover remarketing proceeding, and is finalizing its marketing criteria. Western anticipates that the Federal Register Notice (FRN) announcing the final marketing criteria and call for applications will be issued late Summer 2013.

Information on Western's process can be found on their website:

http://www.wapa.gov/dsw/pwrmt/BCP_Remarketing/BCP_Remarketing.htm

The CRC plans to move ahead on its implementation of the 2011 HPAA following Western's announcement of its final marketing criteria and call for applications, sometime in late Summer 2013.

Information on CRC's process can be found on our website:
